In America, we support our troops who heed the call to defend liberty. We support the call to defend liberty. We support peace officers who answer the call to serve local communities. Both contribute to a free nation. But forces are working to take that away. In this video you will find out how to keep police accountable to local communities in order to keep America the land of the free.

With the militarization of local police, the prospects of creating a national police are becoming all too real. National police would serve the interests of the federal government and not the local communities. Stop this dangerous threat to our freedom by getting involved today:
