TYRANNY AWAKENING & HOPE?

2020: The Year of Tyranny, Awakening and Hope

2020 nearly started like a typical year: full of hope for the future, but with an eye over our shoulder watching where the latest Chinese virus would go. The Dow Jones Industrial Average was flirting with highs nearing 30,000 and Americans were at near record levels of employment, with some of the highest retirement account returns seen in recent memory.

But by February, signs were popping up that this would be a year like no other.

We'll look at 2020 and at our battle plan for 2021 in this episode of Analysis Behind the News, where we provide the perspective you can use to restore American liberty and independence.
