JBS CEO Art Thompson's weekly news video update for March 23 - 29, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses how the JBS has stayed the course in opposition to Article V conventions for many decades; how the conservatives behind the Article V convention movement are experts in "case law"; how much of "case law" is unconstitutional; how the 16th and 17th Amendments must be repealed in order to reduce spending and balance the budget; how a Balanced Budget Amendment would be combined with the 16th and 17th Amendments to increase spending and taxes; and how conservatives must avoid "false leaders," such as Russia's Putin.
