# LOCKDOWN ROUND TWO?

Bloomberg reports that in Florida the COVID-19 Wuhan virus is “out of control” and in California, “Los Angeles is on the brink.” Bloomberg also posted a video of a spokesman for the World Health Organization reporting that it sees “intense transmission” of the virus worldwide.

It appears the second wave may be upon us, or perhaps the first one never left. Or perhaps this entire situation is being overblown.

In any event, government is doing what it does best: over-reacting and standing in the way. We’ll specifically look at the rationale to lock down in this episode of Analysis Behind the News, where we provide the perspective that you can use to restore American liberty and independence.
