# USMCA *THREATENS* AMERICA

Letters addressed to President Trump, one from 46 GOP Congressmen and one from 12 GOP Senators demonstrate a pointed difference regarding the USMCA. One calls attention to threats to American sovereignty, while the other stands by to sail the bill through a Lame Duck session before year's end. We discuss these threats and ask if these Senators are ignoring the threats brought up by their colleagues in the House in this episode of Analysis Behind the News.

### Action Items:

1. Call on Congress & President Trump to stop the USMCA & get us out of NAFTA:

President Trump: 202-456-1111 or 202-456-1414

Representative: 202-225-3121

Senators: 202-224-3121
