JBS CEO Art Thompson's weekly news video update for October 20 - 26, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses Leon Panetta's early career as a liberal Republican and later career as a Democrat; how as a Democratic congressman he started to cooperate with and endorse the policies of the Marxist Institute of Policy Studies; how Russia is starting to intrude on the airspace and waters of Sweden, which is similar to what they did back in the late 1970s and early 1980s; how the EU has vetoed France's budget; how the EU wants to merge the United States into the EU; how a recent Wall Street Journal article, "Conspiracy Theorists Need a Pep Talk," appears to be taking note of the JBS campaign to stop the Transatlantic Trade and Investment Partnership; and how the supposed conflict between "ex-Communist" leaders in Germany and Russia over Ukraine is just an example of "show business."
