BIDEN'S GLOBALIST FUTURE?

Biden's Globalist Future?

Conservatives and now even some liberals are apprehensive about the future, especially with President Joe Biden shifting the gears of government from Americanism to globalism. He signed forty executive orders, actions, and memos in his first week in office: a new record that blights and blurs the lines between the Executive and the Legislative branches.

So as the President uses his pen and a phone, as Obama once suggested as a way to govern, Americans are wondering what to do. We'll look at that in this episode of Analysis Behind the News, where we provide the perspective you can use to restore American liberty and independence.
