JBS Director of Communications Bill Hahn with the JBS weekly news video, June 29 – July 5, 2015.

In this week's analysis behind the news, JBS Director of Communications Bill Hahn details an example of a Republican Congressman spreading confusion about fast track amid the last couple weeks' TPA votes. He also discusses who read the TPP before voting to fast track it, and how the JBS has derailed previous sovereignty-destroying trade initiatives and will continue the fight to do so.
