SHED GLOBALISM NOW!

If you like this lockdown, you'll love more globalism! On one hand we've got President Trump calling out globalism for a whole host of problems, while on the other hand you have the managing director of the George W. Bush Institute arguing for more globalism, saying it's needed to stop pandemics. So who's right? We'll answer that in this episode of Analysis Behind the News, where we provide the perspective that you can use to restore American liberty and independence.
