JBS CEO Art Thompson's weekly news video update for Jan. 12 - 18, 2015.

In this week's analysis behind the news video, JBS CEO Art Thompson brings out some questions that arise in the aftermath of the Charlie Hebdo terrorist attack in Paris; discusses how communism and the Master Conspiracy behind it have two goals, (1) to establish a world government, and (2) to eliminate all religion and substitute the state as the new god; discusses how abolitionist Elijah Lovejoy of Alton, Illinois became a martyr in 1837 in the cause of communist abolitionism such that all criticism of communist abolitionism ended in the U.S. after Lovejoy's death; how the powers that be are now working to counter violent extremism to prevent any future attacks such as the one on Charlie Hebdo, which will not be good for freedom of speech for those on the side of the Constitution in the United States.
