

Bill Hahn, CEO of JBS with arms crossed and a scale of justice

The U.S. Supreme Court certainly has given us a mixed bag of rulings since the overturning of Roe versus Wade. Some are winners and track according to the federal Constitution, while others seem to make little sense, especially in the tradition of limited government the Founding Fathers prescribed. Last week's overturning of the Chevron case has the potential to have far-reaching and long-lasting detrimental effects to Big Government and its administrative state. We'll unpack that in today's Analysis Behind the News, perspective and solutions you won't get anywhere else.

If you're concerned about American independence and freedom, then please watch and take the recommended actions. Also, be sure to like, subscribe, and share, so we can break through Big Tech censorship and reach many others.
