JBS CEO Art Thompson's weekly news video update for Sept. 23 - 30, 2013.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how China has purchased the world's largest pork products producer, Smithfield Foods, headquartered in the United States. Now the United States Department of Agriculture is allowing American chickens to be exported to China, processed, and then exported back to the United States without any food inspection prior to being imported back into America, and without any country of origin label.
