BIDEN'S SO-CALLED DEMOCRACY

China's NWO and Biden's Democracy

As the media was screaming about the newest COVID-19 variant, there was a virtual summit held by President Biden to help advance "democracy" that involved 111 countries. China and Russia were not invited, and both spent time trolling the event on social media.

We'll compare Biden's so-called democracy and China's move to reshape the New World Order in its own image. You'll find there's not much difference, and that both are an attack on the American form of government and the individual freedom we all enjoy. That's in today's Analysis Behind the News, where we provide the perspective and the plan to save American liberty and independence.
