JBS CEO Art Thompson's weekly news video update for Jan. 5 - 11, 2015.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how one of the organizations behind the nationwide Ferguson demonstrations is the Revolutionary Communist Party, USA (revcom.us), a Maoist-oriented communist organization; how the same organization features a "Constitution for the New Socialist Republic in North America" on its revcom.com website; how large numbers of international communist organizations are working together in street demonstrations; and how their newly granted "diplomatic immunity" will help Cuban revolutionaries to import more communism into the United States to subvert our form of government.
