JBS CEO Art Thompson's weekly news video update for Feb. 23 - March 1, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses how Russian communist planning, training, and control is behind Islamic terrorism; how Yuri Andropov, long-time KGB chief and mentor of Vladimir Putin, was the father of modern Islamic terrorism; how terrorist atrocities rivaling what's happening in the Middle East are also happening in Mexico, but are going unreported because this type of news would lead Americans to demand a secure border with Mexico and would also lead people to question whether we should be involved in trade agreements with Mexico, such as NAFTA, when Mexico is so unstable that the violence could come across the border at any time; and thanks to Rudy Giuliani for calling a communist a communist.
