So how does an organization get into the crosshairs of both the political right and the left? By standing firm on Americanist principles. In a time when America is once again being attacked from within, those that attack you expose the common ground they share.

We discuss this common ground of globalism as well as Round One of NAFTA renegotiations in this episode of Analysis Behind the News.

Please be sure to share with all your friends and family and enlist their help. Get involved in the JBS today!
