JBS CEO Art Thompson's weekly news video update for Jan. 4 - 10, 2016.

In this week's Analysis Behind the News video, JBS CEO Art Thompson addresses the folly of Republican presidential candidates advocating that the U.S. government support and arm the Kurdish fighters, who are predominately communist-supported. Mr. Thompson also discusses how the solution to big government is further education about the Constitution, not armed revolution. Without sound constitutional education, Thompson explains, ignorance will only perpetuate our problems with big government.
