

The John Birch Society

Author: [CSpoehr](#)

Date: July 8, 2016

In the wake of last night's horrific shootings against police in Dallas, CEO of The John Birch Society Art Thompson sheds further light as to why the shootings happened and who or what was behind it. Art also asks the questions that the mainstream media, both conservative and liberal, is not asking. To learn more about why the shootings took place and their intended consequences to liberty, watch and share this video!
