A rising chorus of voices are telling the world what The John Birch Society has proclaimed since 1958: to get the United States out of the UN, and get the UN out of the United States.

Professor Alan Dershowitz has just added his voice in one of his latest podcasts.

Recall that Rep. Matt Gaetz suggested the same thing from the stage at CPAC earlier this year, while Sean Hannity suggested the same last year. And for the first time, there are two bills sitting in the U.S. House and Senate designed to do just that. So what are we waiting for? We'll cover this and explain how you can help in today's Analysis Behind the News, perspective and solutions you won't get anywhere else.

If you're concerned about American independence and freedom, then please watch and take the recommended actions. Also, be sure to like, subscribe, and share, so we can break through Big Tech censorship and reach many others.

TAKE ACTION:

Tell your state legislators to pass a resolution directing Congress to pass the DEFUND Act.
