SAYING NO TO ABORTION

The recent passage of New York's disgusting abortion law has made the news rounds with supporters gleefully cheering that "a pre-born baby may be killed at any time up to full-term and viable birth — at the medical discretion of a physician and the 'choice' of the mother." We look into this macabre decision and discuss how the states and Congress can solve *Roe v. Wade* once and for all in this episode of Analysis Behind the News.
