JBS CEO Art Thompson's weekly news video update for Aug. 31 - Sept. 6, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses how none of the Republican candidates for president is talking about repealing the 16th (income tax) and 17th (direct election of senators) Amendments that were ratified in 1913; how the 16th amendment gave the federal government power over individuals; how the 17th amendment destroyed one of the key checks and balances within our system of federalism by taking away the power of each state legislature to appoint two senators to represent its state in the U.S. Senate; and how we must start the process of repealing the 16th and 17th Amendments by waging an "educational war" to point out why this must be done.
