FORMULA GOV'T. DEBACLE

FDA Creates Formula Shortage? | JBS News Analysis

Why do those advocating to kill unborn babies suddenly care about baby formula? Perhaps they really don't! They care more about control over you and using the government to do so. Look at Covid. If you thought that was bad, just wait until monkeypox! We look into this FDA debacle and suggest ways you can help to right the Republic. Please be sure to like, subscribe, and share this information.
