# RACKING UP MORE DEBT!

While the country has been preoccupied with the death of Jeffrey Epstein, the federal government set a spending record. They've spent more in the last 10 months than they ever have in a 10-month period.

We'll discuss this alarming fact and provide a lasting solution to the debt and deficits this country continuously racks up year after year, in this episode of Analysis Behind the News, where we provide the perspective that you can use to help save American liberty and independence.
