JBS CEO Art Thompson's weekly news video update for March 31 - April 06, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how Germany is pushing for a eurozone fusion. This fusion basically means the member states of the EU would continue give up their remaining individual country's sovereignty to the European Union. Art Thompson also discusses how the urge for a Transatlantic Trade and Investment Partnership, TTIP, would be the first step to the United States joining such a sovereignty destroying international organization.
