## Globalist Strategy for Africa | News Analysis

While all eyes have been on the Ukraine-Russian border to answer the question of just when Putin will invade, a leaders' summit took place in Brussels that helps to seal the fate of millions of those in Africa. Why should we care? Because it's the latest brick in the wall of the foundation of the New World Order. We'll cover the history and project the lines into the future of what this means for freedom-lovers around the globe, in this episode of Analysis Behind the News, where we provide the perspective and the plan to save American freedom and independence.
