JBS CEO Art Thompson's weekly news video update for April 15-21, 2013.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses: how the Federal Reserve is selling tons of gold on the market in an effort to help stabilize the U.S. dollar; how Russians were able to avoid confiscation of their bank accounts in the Cypriot banking crisis; and how Senator Rubio is claiming the new Senate comprehensive immigration reform bill will not grant amnesty even though a central feature of the bill will be a provision granting immediate legal status to most illegal immigrants residing in the U.S.
