In this week's analysis behind the news video, JBS CEO Art Thompson discusses: How our "Arab Spring" policies toward North African and Mideast countries has not brought about better rulers, but instead has brought about more persecution of Christians; how the democracy we work for abroad was considered by Karl Marx as the first step toward communism; how our foreign policy officially became building a New World Order under President H.W. Bush; how President Obama's amnesty programs for illegal immigrants is helping to bring about the North American Union; and how our own government is at war with the American people through a variety of "humanitarian" programs.
