Being used as pawns, student survivors of the Parkland school shooting have amassed a gun control movement, but not of their doing. We discuss the true gun control operatives that were exposed last week, as well as discuss how a Constitutional Convention could be used by them to repeal the Second Amendment in this episode of Analysis Behind the News.

Action Item 1: Share the NPR article

with your state legislators, as well as our January 23rd article from The New American: "The Left Wants a Con-Con, Too"

Be sure to share with them the news that we've helped to shutdown these Constitutional convention calls in about nine states. Help them to stand tall against the vocal minority that wants to take away your gun rights.
