No news organization wants to be labelled as fake news, but when the mainstream media fall hook, line, and sinker for government propaganda with zero evidence, what else do you call it?

We explore the 2013 Sarin attack that pointed to “rebels” as carrying out the attack and compare that to the most recent Sarin attack in Syria. Find out why Senator Rand Paul has taken to the talk shows to press for releasing evidence that Assad had a hand in this. View this episode of Analysis Behind the News now!

Be sure to share this with all your friends and family and get involved in the JBS today!
