CORONAVIRUS & DEEP STATE

Everyday Americans and others around the globe are being bombarded with news about the coronavirus, especially to the number of new cases and where they are located. While we humans have an obvious and natural desire to avoid sicknesses, and be protected from the unknown, we also have a propensity to be gullible and to allow government to act outside of its limitations during what may be deemed extraordinary times.

We'll look at the propensity of government abuse and how the Deep State may use the coronavirus in this episode of Analysis Behind the News, where we provide the perspective that you can use to help save American liberty and independence.
