

The John Birch Society

Author: [CSpoehr](#)

Date: July 31, 2012

In this weekly video news update for July 30 – August 5, 2012, JBS CEO Art Thompson discusses: how the War on Terror produces more terror, the War on Poverty produces more poverty, and the War on Drugs produces more drugs; how Saving the Euro means Saving the EU; and how a suggestion in the New York Times to drop algebra is just another example of the dumbing down of the American student.
