

## NEWS ANALYSIS

**\$20,000,000,000,000**

***TRILLION***  
**DEBT**

The federal government celebrated Constitution Day by surpassing \$20 trillion of debt. And it saw one of its Senators, whose job it is to protect the states, introduce a single payer healthcare bill that would outlaw private medicine and certainly push the once great USA over the brink.

We definitely live in interesting times and will discuss this in this episode of Analysis Behind the News.

Please be sure to share with all your friends and family!
