# HOW WILL AMERICA TRANSITION?

## How Will America Transition? | JBS News Analysis

Here we are, halfway through the year. A year that has so far been marked with transitions. Transitions of what life used to be like to what government planners want it to be like. We'll run through a few of these today and highlight what you can do to protect your family and this country's independence. Please be sure to like, subscribe, and share this information to inform others and get involved.
