JBS CEO Art Thompson's weekly news video update for March 24-30, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how Crimea, Ukraine, and Russia are headed by "former" communists while the EU is also headed by a "former" communist; how William Jasper has posted an excellent article on TheNewAmerican.com entitled "Ukraine Behind the Headlines: Disinformation, Manipulation, Propaganda"; how the U.S. is giving up control over the Internet which will likely lead to United Nations control along the lines of the "memory hole" as described in the book, 1984; and how there was an "inner party" in the book, 1984, above the other parties that thought they were in control.
