President Obama appears to be following his promise of fundamentally changing this country. The New York Post reported last week that “Obama has an army of agitators – numbering more than 30,000 who will fight his Republican successor at every turn of his historic presidency. And Obama will command them from a bunker less than two miles away from the White House.”

We explore President Obama’s actions and also report on some good news in the Con-Con battle in this installment of our weekly “Analysis Behind the News.”
