RIOTING *EXPOSES* REVOLUTION

“Let’s start a riot,” said Matthew Lee Rupert in a video that he recorded himself and uploaded to Facebook as he joined in on a looting and arson spree in Minneapolis during the “peaceful protests.”

Mr. Rupert is from Galesburg, IL and made the 400+ mile trip with his girlfriend to protest the disgraceful death of Mr. George Floyd. But, as a very astute reporter from CBS 2 in Chicago disclosed, CBS 2 reviewed the videos and found many instances of looting and arson, but no commentary on Mr. Floyd and the justice many are seeking.

We’ll look at these protests and demonstrate that while this is currently happening, these are old tactics with an old enemy albeit with newer faces—in this episode of Analysis Behind the News, where we provide the perspective you can use to restore American liberty and independence.
