

Meat & Dairy Ban By 2030? | JBS News Analysis

If Americans don't stand up for their rights, they will be steamrolled time and time again by government tyranny. We'll look at a prime example in today's Analysis Behind the News.

This week we discuss a report where 1,600 scientists signed a declaration stating that there is no climate emergency. Yet 14 U.S. cities are signing onto a C40.org pledge to confront climate crisis that would ban meat, dairy products, limit private vehicles and even clothes by 2030. See what other items they have in their sights to limit.
