NAFTA WHO CAN YOU TRUST?

If you asked anyone what the effect of NAFTA has been on American jobs, you might end up in a fistfight! Both sides of this free trade issue will come out with competing facts. Yet, the biggest threats from NAFTA don't involve jobs, rather it's about who makes the decisions about what a country can and can't do. Who do you think should control food standards, labor laws, industry standards, tariffs, borders, and immigration? We take a look at avoiding that fight with a new tool that shifts the focus away from jobs in this episode of Analysis Behind the News.
