NATO'S GLOBALIST PUSH

NATO Unifies New World Order | JBS News Analysis

President Biden recently attended a meeting hosted by the North Atlantic Treaty Organization in Lithuania. Everyone was focused on whether or not Ukraine would be allowed to join NATO. In the end, NATO membership was not an option, but NATO members certainly put on a song and dance to convince the world that Ukraine has never been closer to NATO membership.

Even though this seems rather innocuous, this has far-reaching ramifications for every American. We'll explain in this episode of Analysis Behind the News, and suggest ways you can help.

Take Action:

1. [Tell Congress NO!](#) to Ukraine entanglements
2. [Tell Congress to get out of NATO](#)
3. [Contact your local JBS Coordinator](#) to learn of local opportunities
4. [Join](#) The John Birch Society
