

The John Birch Society

Author: [CSpoehr](#)

Date: January 8, 2014

Why is it that no matter whether Democrats or Republicans win the presidency, our country continues to suffer? The answer to this question reveals a stealthy shift that has occurred in American politics involving both parties, resulting from a shift of the NeoConservatives from one party to the other.

View this video to learn about the surprisingly radical roots of NeoConservatives, how to identify them, and what you can do to help America restore its lost liberties.
