JBS CEO Art Thompson's weekly news video update for Aug. 5 - 11, 2013.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how a National Security Agency map used in a Senate Judiciary Committee hearing last week considers the U.S. to be part of our North American "Homeland"; how the U.S. considers al Qaeda to be an enemy, but sometimes treats them as an ally; and how big cities and unions are preparing to slough off their health care obligations to ObamaCare, which means huge increases in ObamaCare spending are in store unless we stop ObamaCare now.
