JBS CEO Art Thompson's weekly news video update for Dec. 1 - 7, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how inflation has affected his Wall Street Journal price; how the Ferguson protests are being covered by the media; how to recognize organization behind the demonstrations; how when a Chicago Tribune photo of a Ferguson protest in the U.S. and a London photo of a Ferguson protest there both show Socialist Workers Party signs, that means organization; how the Huffington Post had an article showing where Ferguson protests were scheduled around the nation; how various communist groups are behind the protests; and how The John Birch Society has been working against nationalizing local police departments for years.
