JBS CEO Art Thompson's weekly news video update for April 8-14, 2013.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how: one BRICS nation, Brazil, is buying ground-to-air missiles from another BRICS nation, Russia; the Pentagon is buying Russian military helicopters in spite of a congressional ban on such sales; the U.S. is selling military aircraft to Egypt while at the same time Egypt is proposing merger with genocidal Sudan; workers are increasingly being awarded lifetime disability; and much more.
