

The John Birch Society

Author: [CSpoehr](#)

Date: September 12, 2016

If you've ever read "1984", then you know all about perpetual war, Big Brother, the Ministry of Truth, and the Thought Police. Given what society is today, "1984" doesn't look too far away. We examine this by looking at the federal government's reactions to 9-11, and its agenda of creating a crisis and "solving" it. Enjoy this installment of our weekly "Analysis Behind the News."
