“NO” TO GLOBALIST TRADE

RCEP & CPTPP: Emerging Chinese Globalism

While most Americans have been distracted by the ongoing election debacle and Deep State coup, Communist China has been making major inroads towards the development of a New World Order through free trade. Christian Gomez discusses what's happening in the Southeast Asia Pacific region with the recent signing of the new Regional Comprehensive Economic Partnership (RCEP), on November 15, 2020.

Action Items

1. Visit our [Stop the Globalist Trade Agenda](#) Action Project Page.
2. [Contact your elected officials](#) and tell them to [Get Us Out! of the UN](#).
