PUBLIC SCHOOL HIJACK

Save Our Children from Public Schools

In a viral video last week, Xi Van Fleet spoke at a school board meeting in Loudoun County, Virginia. Her remarks called out the school district for teaching Critical Race Theory and equated it as the American version of the Chinese Cultural Revolution. Ms. Van Fleet immigrated from China. She said she was taught Critical Theory as a young student growing up in China's schools. Except instead of using race to divide people, the indoctrination focused on class.

We'll look at critical race theory and public education and suggest ways you can help protect your children in today's episode of Analysis Behind the News, where we provide the perspective and the plan to help restore American liberty and independence.
