JBS CEO Art Thompson's weekly news video update for Feb. 16 - 22, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses the downsides of the Ukraine truce; how "free trade" deals with Communist nations will not benefit free enterprise in our nation and should be considered "managed trade" instead of "free trade"; how, since our government is moving us toward socialism domestically, why would we expect our government not to be moving us toward socialism in its foreign (trade) policy; and how Obama and Republican leaders say they are working to benefit the "middle class" with their socialist policies, when in actuality socialist politicians are always working to eliminate the "middle class," properly defined in terms of entrepreneurs and businessmen.
