## Sound Money Solutions to Fix Banking Crisis | JBS News Analysis

Highly government-regulated banks that fail expose the attack on what was once sound American money. But more government-induced crises mean more regulation and more control. It's time to ditch the government money monopoly and implement freedom as the founders intended!

Take Action:

Visit our [End the Fed/Restore Constitutional Money action project](#) for model state legislation, articles, videos, and legislative alerts, including those on the Uniform Commercial Code that Governor Kristi Noem warned Tucker Carlson about.
