STOP LIVING IN *FEAR*

Stop Living in Fear!

A year into the nation's response to the COVID-19 pandemic, and it's time for some honest reflection.

What grade would you give the federal government for its response? How about your state legislature? Do you think the lockdowns have helped control the spread of the disease? If so, how happy are you that the government has essentially taken over the healthcare of every American? Do you think the limitations of government should be ignored during a time of crisis?

All this and more in today's episode of Analysis Behind the News, where we provide the perspective and the plan to help restore American liberty and independence.
