

The John Birch Society

Author: [CSpoehr](#)

Date: September 19, 2016

Within a week of the 15 year anniversary of 9-11, and we have more bombings on American soil. Why this is happening is a rude reminder of what the federal government has done and is doing wrong. Don't allow liberty to be siphoned off for security. Understand why terror comes full circle and do something about it! Be sure to share this weekly "Analysis Behind the News" with all your friends and family!
